SUMMARY:

I'm Abhishek a web developer hailing from Mandi Himachal pradesh. I completed my education in year 2021 since then i have been continuously working on my skills and personality also I'm a six months experienced person as intern having responsibilty of developing websites.

MY PROJECT:

Portfolio Website :

- Developed a fully responsive portfolio website using HTML, CSS, Bootstrap, and JavaScript.
- Implemented smooth navigation with sections like Home, About, Skills, Projects, and Contact.
- Added a working contact form integrated with email service and deployed the project live on GitHub Pages/Netlify.

E-Commerce Website :

- Created a responsive E-Commerce website using PHP, MySQL, HTML, CSS, and Bootstrap with a clean user interface.
- Added main features like user login/register, product listing, add to cart, checkout, and order history with database support.
- Developed an Admin Panel to manage products and customer orders, including updating order status easily.
